

## **License and Ordination**

Christ the King Community Church

### **Process**

The license and ordination process at Christ the King exists to set apart men and women who have been called by God to devote their lives to ministry, such as the roles and responsibilities described in Ephesians 4:11-13.

It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

The process outlined below is initiated by formal application and may take several months to complete.
